FINANCIAL POLICY

Thank you for choosing Goode Animal Health Care. Our primary mission is to deliver the best and most comprehensive veterinary care available for your pet or horse. An important part of the mission is making the cost of optimal care as easy and manageable for our clients as possible by offering several payment options. Goode Animal Health Care requires payment in full at the time the service is rendered for your pet or horse/horse's examination and/or at the time of discharge.

PAYMENT OPTIONS:

You can choose from:

- Cash, Check (after you are an established client), Visa, MasterCard, AMEX, or Discover

For some treatments or hospitalized care, a non-refundable deposit may be required before treatment begins. Healthcare plans that are comprehensive and extensive will require a non-refundable deposit determined by the veterinarian in charge of the case. The veterinarian in charge of your case will determine the amount of non-refundable deposit needed to begin your companion's treatment. There will be a \$100.00 non-refundable deposit required on all spays/neuters at the time the procedure is booked.

Additional Policy Information:

Goode Animal Health Care charges \$30 for returned checks. A fee of \$50 may be charged for clients who miss or cancel their appointments frequently without 48 hours notice or who are consistent "no- shows".

For clients with pet insurance, we are happy to provide you with the necessary documentation to submit a claim to your insurance carrier. We strongly recommend you consider **Pet Health INSURANCE**.
